Chairman Engelmann stated that a request was made by The Marinette County Fair Board for town's permission to have a detour for southbound traffic during the fair due to the highway construction. This would be Cedar Street over to Jamros Rd to Hwy 180. Both Chairman Engelmann and Board of Supervisors had no objection and therefore no action required.

Board members read letter from Pat Brien, member of "Friends of Library". She gave update on activities and fundraisers, along with donations, grant opportunities, and events happening at the Wausaukee branch library.

Supervisor Tomasino opened discussion on Mine project across the Menominee River near Otter way. Core drilling is taking place now 7:00am to 7:00 pm. There are several property owners affected by the noise. Supervisor Tomasino would like the backing of the Town board before he starts to pursue a course of action. Chairman Engelmann added "If the Town can help, we won't stand in the way"

Supervisor Taylor made a motion to adjourn at 7:35 pm; seconded by Supervisor Tomasino
