"VICTOR EVERIX HOME

Last of the Company I Boys Returns After Two Years in the Service

Victor Everix, son of Mr. & Mrs. Emile Everix, the last of the Wausaukee members of Company I, Marinette, to reach home from overseas, arrived Saturday morning. Victor enlisted nearly two years ago and by reason of his skill as a baker, he was assigned to duty in that line. Although his headquarters were with the 320th main bakery at Nevers, France, he was transferred from time to time to the various field bakeries and saw service near all of the important fighting sectors. "Vic" came back in fine physical condition with valuable experience and will soon be applying it to good advantage in the Wausaukee Bakery."
